PROFILE

My name is Mausam Shrees, and I have completed my Junior Computer Engineer diploma from Crimson Technical of College. I have a strong foundation in HTML, CSS, and Java, along with hands-on experience in graphic design. Additionally, I have completed an intensive graphic design internship at VAAMA Education, where I enhanced my skills in visual creativity and digital design. I am passionate about technology, design, and innovation, always eager to learn and grow in the field of multimedia and software development.

EDUCATION

EVER SHINING ENGLISH BOARDING SCHOOL 2065 - 2077 B.S
Primarily Level

- I studied at Ever Shining School, which is located in Butwal-NayaGaun 13. It was the place where my educational journey began, shaping my knowledge and skills from a young age.
- From nursery to class 10, I spent my school years learning and growing in a supportive environment. Each grade brought new experiences, challenges, and achievements that helped me improve academically and personally.
- After years of dedication and hard work, I successfully completed my schooling with a GPA of 3.65. This achievement reflects my commitment to education and the efforts I put into my studies.

SHREE DURGA BHAWANI SECONDARY SCHOOL 2079 - 2081 B.S
High School Level

- I studied class 11 and 12 at Shree Durga Bhawani, where I focused on improving my knowledge.
- I scored a GPA of 2.48 in class 11 and 2.87 in class 12.

Crimson Technical Of College 2078- 2081 B.S
Diploma level(+3)

- I studied at Crimson Technical College from 2021 to 2024, where I gained valuable technical knowledge and coding skills.
- During my time there, I learned about data structures, web development, and various other technical subjects.
